Thought of a New Student

Linda Pitts, a new student at Libbey this year, thinks very highly of the school. She considers it to be fun and lively.

Before coming to Libbey, Linda had considered attending Scott, or Macomber because they were closer to home. She finally decided on Libbey, though, and she really enjoys it.

Basketball and running track, are two things which Linda enjoys doing. Her favorite teachers are Mr. Flores and Mrs. Cameron, because she thinks they are very understanding. Her favorite subjects are Math and Spanish. She enjoys Spanish because she had already taken it previously, and she appreciates learning more.

In the future, she plans to join the Pep Club, and the Afro-American Club. She likes the Afro-American Club, because they show a lot of pride in Libbey. One thing which Linda is in favor of is a girl's softball team. When asked what she thought about it, she replied, "If boys can have one, so can the girls!"

The first impression Linda had of Libbey was a lot of homework. And now she realizes that this is very true!

The only unusual thing which happened to Linda, was that she got lost, which normally happens with new students.

Students like Linda give Libbey a good name. People like her, who show pride in their school, make Libbey what it should be.

Aaron Laramore, Timothy Parcher, and Lamar Johnson all made 2nd Team All-City. The Boys' Cross Country team worked very hard from August to the end of the Cross Country season in November. For the most part this was one of the best Cross Country teams in several seasons for Libbey High School. They will have an outstanding team in the future. Hard work and dedication are the key for a championship cross country team.

The Girls' Cross Country team worked very hard throughout the year. It really paid off for all of them. This was the first year for the girls' cross country team. They had an outstanding season. The future looks good for the girls' cross country team.

When I Must Leave You

When I must leave you
for a little while.
Please do not grieve
and shed wild tears
And hug your sorrow
to you through the years,
But start out bravely
with a gallant smile;
And for my sake
and in my name
Live on and do
all things the same,
Feed not your loneliness
on empty days.
But fill each waking hour
in useful ways,
Reach out your hand
in comfort and in cheer
And I in turn will comfort you
and hold you near;
And never, never
be afraid to die;
For I am waiting
for you in the sky!

GRADUATION

Graduation is the time
When fellow classmates stand in line.
Glad to know we've earned our way
To be in line this special day.
We'll miss the years of work and fun
But glad to know it's almost done.
Wondering where the four years went
And all the precious time we spent.
Doing work and passing tests
Trying to do our very best.
When the graduation's through
We'll say good-bye to those we knew.
Going in our separate ways
We'll always remember high school days
